I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: I obtain a natural hormone
for change of life which cannot
be obtained in my state from
local pharmacies. It is the only
product that has worked for
me. Please do not take away this option
